Project Expo-2025

The Department of MCA organized a Project Expo on 31st July 2025 for the III semester students, showcasing the mini projects developed by them. This event provided a platform for students to present their innovative ideas and practical implementations in the form of working models and demonstrations. The expo served as an "Idea Explorer", encouraging students to think creatively, apply their technical knowledge, and gain confidence in presenting their work. It fostered a spirit of innovation and collaboration among students, highlighting their problem-solving abilities through real-world applications.
