COMPREHENSIVE REPORT ON CERTIFICATION TRAINING

Raptor Coding Competency Test

Celebrating Success at the Raptor Coding Competency Test

We are delighted to share the outstanding results of the recently **(20-12-2023)** conducted Raptor Coding Competency Test. This challenging examination brought together fifty students from various backgrounds and skill levels, showcasing their talent and dedication to the field of coding.

Raptor:

This section of the course provides a comprehensive overview of Raptor, a visual programming language widely used for educational purposes. Participants will delve into the foundational aspects of Raptor, exploring its interface, syntax, and key features. Topics covered include flowchart-based programming, algorithm design, and problem-solving using Raptor. Additionally, participants will gain hands-on experience through practical exercises, reinforcing their understanding of this powerful tool for algorithmic learning.

Principal Dr. I R Krishnam Raju is eloquently articulating the significance of this program.

Key Highlights:

Total Participants

- In this event the total no. of Participants are 50 students.

- This indicates the number of students who actively participated in the Raptor Coding Competency Test. It gives a sense of the scale and interest in the event, showcasing the engagement of a significant number of students.

Top Performers:

- Recognizing the top performers is crucial to highlight the exceptional skills and achievements of a select few. It adds a competitive element to the event and encourages participants to strive for excellence.

- Congratulations to the outstanding students who demonstrated exceptional prowess in coding.

Recognition

In acknowledging their exceptional performance, we were thrilled to award certificates and pen drives to our top performers during a special ceremony, accompanied by a sincere round of applause. The dedication and coding expertise displayed by these students truly deserve this recognition, and we wholeheartedly celebrate their remarkable achievements.

Principal Dr. I R Krishnam Raju and Vice-Principal Mr. Ch.S.V.Satyanarayana had the honor of presenting a prestigious award to Miss N Sanjana of I BCA, acknowledging and celebrating her remarkable accomplishments.

Principal Dr. I R Krishnam Raju and Vice-Principal Mr. Ch.S.V.Satyanarayana had the honor of presenting a prestigious award to Miss CH Deepthi of I BCA, acknowledging and celebrating her remarkable accomplishments.

Principal Dr. I R Krishnam Raju , Vice-Principal Mr. Ch.S.V.Satyanarayana and Mr. M N Ravindra Babu had the honor of presenting a prestigious award to Miss K Hasini of I BCA, acknowledging and celebrating her remarkable accomplishments.

Conclusion:

The entire program exemplified the spirit of excellence and dedication among our students. From the impressive participation of 50 students to the exceptional skills demonstrated by the top performers, it is evident that our community is thriving in the realm of coding.

The awards ceremony, led by **Principal Dr. I R Krishnam Raju and Vice-Principal Mr. Ch.S.V.Satyanarayana**, added a touch of prestige to the event, emphasizing the importance of recognizing and celebrating academic achievements. We extend our heartfelt congratulations to all participants and look forward to witnessing continued success in future endeavors.
